

Notice to Students

March 18, 2020

Dear Boca Beauty Academy Students and Friends,

These last days have been confusing and challenging for everyone. With the goal of providing continuity of instruction while taking the necessary precautions given the coronavirus crisis, we have suspended on-ground classes and have transitioned to a distance education platform from March 18 through April 1, 2020.

To access the classes, please do the following:

1. Go to <https://classroom.google.com/h>
2. Sign in with your Gmail account. If you don't have a Gmail account, you will be prompted to create one.
3. Press Join Class and then enter your Class Code. Your code will have been texted to you or you may learn your code from your teacher.
4. Please log in at 9am if you are a Day student and 6pm if you are an Evening student. You will access class assignments and receive messages and instructions from your teacher at that time.

You are our priority and family. We'll work though these times together as you continue to progress through your respective programs. You will have many questions and that's a good thing as you are serious about your education. We are here to answer your questions as promptly and warmly as possible.

Take good care.
